The Honda K-Series engine was introduced in 2001, replacing the B-Series as the engine of choice for Honda enthusiasts. These new K-Series engines are the most powerful stock Honda/Acura engines you can get. They featured new technology such as a roller rocker valvetrain, better flowing heads, and advanced variable cam timing technology that made these engines suddenly the thing to have. And that's where the engine swappers come in. In Honda K-Series Engine Swaps, author Aaron Bonk guides you through all the details, facts, and figures you will need to complete a successful K-Series swap into your older chassis. All the different engine variants are covered, as well as interchangeability, compatibility, which accessories work, wiring and controls operation, drivetrain considerations, and more. While you can still modify your existing B-Series, dollar for dollar, you can't make more power than you can with a Honda K-Series engine. If you have an older chassis and are looking for a serious injection of power and technology, swapping a K-Series engine is a great option. Honda K-Series Engine Swaps will tell you everything you need to know.

Normal 0 0 1 134 766 6 1 940 11.1282 From Welfare To Wealth is an inspirational memoir about my chaotic journey as a child on welfare, to adulthood where I gained spiritual and financial success. This book was written to inspire women and give them the confidence and guidance needed to not just survive, but thrive in their daily lives. It provides resources on buying real estate, investing, and other methods to move their financial and personal lives forward. I also share various personal experiences that happened over the course of my life, which could have made me stop believing in God and myself, but because of my spirituality, I continued to press forward in spite of the conditions and situations. I know that there are many women in the World who can relate to my story, and are probably having similar experiences in their own lives. From Welfare To Wealth was written to empower the lives of women Worldwide, and therefore will not disappoint its reader.
