Big Fat Book of Music Staff Paper 300 Pages McGraw Hill Professional

The instant #1 New York Times bestseller. "This is the book Trump fears most." - Axios "Will be a primary source about the most vexing president in American history for years to come." - Joe Klein, The New York Times "A uniquely illuminating portrait." - Sean Wilentz, The Washington Post "[A] monumental look at Donald Trump and his presidency." — David Shribman, Los Angeles Times From the Pulitzer-Prize-winning New York Times reporter who has defined Donald J. Trump's presidency like no other journalist, Confidence Man is a magnificent and disturbing reckoning that chronicles his life and its meaning from his rise in New York City to his tortured post-presidency. Few journalists working today have covered Donald Trump more extensively than Maggie Haberman. And few understand him and his motivations better. Now, demonstrating her majestic command of this story, Haberman reveals in full the depth of her understanding of the 45th president himself, and of what the Trump phenomenon means. Interviews with hundreds of sources and numerous interviews over the years with Trump himself portray a complicated and often contradictory historical figure. Capable of kindness but relying on casual cruelty as it suits his purposes. Pugnacious. Insecure. Lonely. Vindictive. Menacing. Smarter than his critics contend and colder and more calculating than his allies believe. A man who embedded himself in popular culture, galvanizing support for a run for high office that he began preliminary spadework for 30 years ago, to ultimately become a president who pushed American democracy to the brink. The through-line of Trump's life and his presidency is the enduring question of what is in it for him or what he needs to say to survive short increments of time in the pursuit of his own interests. Confidence Man is also, inevitably, about the world that produced such a singular character, giving rise to his career and becoming his first stage. It is also about a series of relentlessly transactional relationships. The ones that shaped him most were with girlfriends and wives, with Roy Cohn, with George Steinbrenner, with Mike Tyson and Don King and Roger Stone, with city and state politicians like Robert Morgenthau and Rudy Giuliani, with business partners, with prosecutors, with the media, and with the employees who toiled inside what they commonly called amongst themselves the "Trump Disorganization." That world informed the one that Trump tried to recreate while in the White House. All of Trump's behavior as President had echoes in what came before. In this revelatory and newsmaking book, Haberman brings together the events of his life into a single mesmerizing work. It is the definitive account of one of the most norms-shattering and consequential eras in American political history.

Music Paper Notebook - Guitar Chord Diagrams John Wiley & Sons

MUSIC PAPER is a range of affordable manuscript paper for musicians, students, and teachers. Designs favour legibility, flexibility, and simplicity in various formats. The Notebook - Guitar Chord Diagrams volume presents blank chord diagrams that can be used vertically or horizontally. They are large enough to allow dot markings, fingerings, or chord tones to be written directly onto the diagram or on the sides, as well as other chordal indications (position, played/muted strings etc.). Lines are printed with finer and unobtrusive weight. For other titles in the MUSIC PAPER family, visit: - www.pelemeleworks.com -
