The Shadow King returns to the Archipelago using the ship, the Iron Dragon, and enlists an unstoppable army of Dragon Shadows... While WWII rages in our world, all the caretakers, both past and present, must come together to save the Archipelago. The Dragons of Winter

Warwick House Press

Becoming a dragon is a dangerously subtle process. You make a long chain of bad choices. The chain gradually wraps around you. Layer by layer, it begins to take on the aspect of scales. One day you glance at yourself in the mirror and a monster is staring back at

you. You aren't who you used to be. You aren't who you want to be. You're not who you were created and designed to be. Instead, you're a dragon. When Jim Burgen was nineteen years old, he realized how easy it had been to become a dragon. He knew he didn't want to be one anymore . . . but how? No More Dragons is the story of our common, hopeful journey from dragonhood back to personhood. As Pastor Burgen narrates the remarkable process of reclaiming himself from

himself, he implores modern church goers to shake off the trivialities of churchiness in favor of the substantive questions that make a spiritual transformation: "Is Jesus the only one who can undragon people?" "Why don't I like most churches?" "Where is God in difficult times?" "How do you shed decades of gnarly scales?" Some choices will lead you to a better life. Some will kill you. Some choices will add a new layer of scales to your dragon, and some will slough them off. No

More Dragons is about asking Christ to deliver you and learning how to obey him. *Chronicles of Dragon Lore* Simon and Schuster *Chronicles of Dragon Lore* is the story of a dragon scribe detailing the history of dragon existence in an ancient world of dragons, faeries and humans. A wonderful fantasy tale, describing intelligent dragons in their established existence, their long-time relationship to faeries and the introduction of humans to their world.

Illustrated with original artwork depicting the dragons and other species of the realm, the drawings add character and detail to the story.

Dragons and magic await.

Dragons of Dawn is an epic saga that contains three novels that are prequels to the World of Godsland fantasy series.

Each is a great place to start the series or to continue the adventure.

Dragon Airways - Lured by ancient magic, a boy with special needs and unusual talents becomes valuable

to both sides of the war. Fleeing those sent to capture him, he and his sister board Dragon Airways. Ascension - Having reached the age of decision, Gwendolin Ahlgren finds she has no viable choices, or at least none her family will agree to let her pursue. She's resigned that her life will be anything but what she'd hoped it would be. When a traveling circus passes through her village, a fortune teller predicts a mysterious destiny Gwen could never have imagined and

roundly rejects. Against her will, she leaves home for life in a monastery and meets the love of her life. Life and love aren't always what one expects, and neither is destiny. Gwen will have to stretch beyond herself and understand the true meaning of love if she's to fulfill her destiny through a task that only an unimaginable ascension can accomplish. Onin - Joining the King's Guard is something every kid growing up in the Midlands dreams about. Onin never dared imagine

such a life for himself, even after distinguishing himself in battle. When offered a rare opportunity to train within the Heights, he must balance honor, duty, and family.  Dear Diary, Two summers
 have gone by since I left
 the orphanage and my
 beloved twin siblings
 behind. I am now at the
 System, partnered with
 my Imaginary Romeo, a
 man I have been
 dreaming about for the
 past two summers. The
 owner of the System,

Shannon Ryan, named us
 the Dream Realm
 Defenders. We would
 patrol Dreamers' Worlds
 through a place called the
 Abyss and defend them
 from their nightmares and
 fears. For three long
 summers, we did just
 that. My Romeo and I
 were joined by other
 Defenders like us and
 soon, there was peace in
 the Realm of Dreams. As
 with any story, peace was
 only temporary. A terrible
 storm by the name of
 Orthos, the Dominionite
 Master was up to his
 tricks, or so Lord Guardian

said. His reputation as a vile and depraved creature spread across the Mystic Realms like fire; everything he touched turned dark and decrepit. I fear the Defenders will not be enough to fight him and win. Ariana Sister

into hiding by the dragon's rule, and Alec-Ryuu's small village lives under the constant threat of exposure and enslavement. Alec-Ryuu, or Ryuu as he prefers to be called, is not your average human. He is the son of a being of great power-stronger, smarter, and faster than friends and rivals alike. A gold-embroidered box in a cliffside cave sits waiting for Ryuu and his friends. The box's contents offer the strength to finally strike back at the Black Dragon, should the young

warriors have the opportunity. But that opportunity may be over before it begins. Emissaries of the Black Dragon have discovered Ryuu's village, and the time has come for the ultimate choice: surrender to a life of slavery, or fight-and possibly die-for freedom. The finest sword does not begin with the finest steel. It begins with a heart dedicated to mastering the skill of discipline. A hurried process can result in shattered shards of

metal, and careless indifference produces slipshod workmanship. Only precise adherence to time tested standards coupled with exceptional ingredients and a masters genius will free the elements to become a unique masterpiece. The same is true with the flesh and blood that wields the sword. From the Manual of Discipline found in the Library of Vindryauthor unknown Following the downfall of the three great Aelfene kingdoms, sorrow and fear flood the world of Aelandra. Pride

and the quest for power shreds the idyllic symbiosis between the ancient dragons of light and the Aelfen. Survivors scatter with hopes to preserve their ancient heritage, but dragons fallen into darkness train a Dragon Master with designs to slay all the Aelfen and bring the world of men under their control. Banished from the physical world, dragons of light leave a legacy to craft a weapon to aid men against the encroaching shadows, but time favors the evil Dragon Master

and his dragons dedicated to subjugate the kingdoms of men. Can a young man and woman master the keys and find the courage necessary to gather the elements needed?
